Dear Nicholas,

RE: Written Approval of Housing New Zealand for Access to Properties Adjacent to  
Puketapapa-Pukewiwi / Mt Roskill

Further to your letter dated 19 September I advise that subject to receiving all relevant Health and Safety information and coordination with our Civil Alliance Partners Piritahi we have no objection to your contractors access the properties at 3-9, 11 and 55 Roseman Ave.

I note during the time you are proposing to access our sites site remediation and house demolition may be occurring. It is imperative your contractors coordinate daily with Piritahi and are fully inducted prior to attending site.

Kind regards,

Christian Hurzeler
