**APPLICATION FOR ARCHAEOLOGICAL AUTHORITY UNDER HERITAGE NEW ZEALAND
POUHERE TAONGA ACT 2014: Authority no. 2017/534: R11/17, Maungawhau/Mt Eden**

Thank you for your application for an archaeological authority which has been granted and is attached.

In considering this application, Heritage New Zealand Pouhere Taonga notes that, in association with the group Friends of Maungawhau, you wish to carry out vegetation control works and planting on the lower southern slopes of Maungawhau/Mt Eden. This activity may affect possible subsurface archaeological evidence related to a recorded archaeological site.

Situated on the highest of Tamaki's mainland volcanic cones, R11/17 is a significant, extensive, volcanic cone pa and occupation area. Although the site has been modified in the past, it still possesses important archaeological and cultural values and is an excellent example of a volcanic cone pa. The site is of significance to Te Runanga o Ngati Whatua; Tupuna Taonga o Tamaki Makaurau Trust and Tupuna Maunga o Tamaki Makaurau Authority and we appreciate the consultation you have undertaken.

Please inform Te Runanga o Ngati Whatua; Tupuna Taonga o Tamaki Makaurau Trust and Tupuna Maunga o Tamaki Makaurau Authority, the approved archaeologist and the Heritage New Zealand Pouhere Taonga Regional Office of start and finish dates for the work.

An appeal period from receipt of decision by all parties applies. Therefore this authority may not be exercised during the appeal period of 15 working days, or until any appeal that has been lodged is resolved.
