**MINUTE OF GWYN J**

---

[1] I am conscious of the fact that this case was heard over three months ago and the parties will be anxious to have the Court's decision. The purpose of this Minute is to apologise for the delay and to reassure all the parties and counsel that the delivery of the judgment is a priority for me.

[2] While it is difficult to offer a timeframe for delivery, I can say it will be a matter of weeks, rather than days.

[3] I apologise for the delay and thank the parties and counsel for their patience.
